We continue the cycle of online lectures on modern literature and literary criticism along with the oldest Russian magazine "Questions of Literature". We invite you to the webinar of the literary critic Anna Zauccovka.

We meet online October 29 at 16:00 (MSK). Participation in the webinar is free.

Let's talk about what you did not have time to meet Anna:

About mythoprozia, which crosses the author's prose with folklore and myth, high literature with genre, common with individual (Grigorenko, Bogatyrev, Idiaatullin, Bobylev), On the role of mass literature in the modern world.

Anna Zhuccova: "As a living organism, the literature is difficult to arrange. It is necessary to study all its floors. Including fiction and fantasy, detective, blogger literature and so on

To listen to the wizards online or later, registration requires registration.
